

## WELCOME TO OUR PARENT INFORMATION EVENTS

We are the newest, all inclusive primary school to join the highly successful family of City schools serving the local community of EC1.

### What parents are saying about us:

- \* I wanted to thank you again so much for accommodating us last Friday morning. We really appreciated it. We are incredibly impressed with what you all have achieved so far and will definitely be enrolling our son to start next September.
- \* I am writing to thank you for the wonderful tour of the school we had on October 18<sup>th</sup> and to express our admiration for the high level learning and instilled ethos that runs the school. Please congratulate Ms Clapham on our behalf.  
Thank you again for giving us an insight of the school.
- \* It was lovely to meet you and Ms. Clapham today and have the opportunity to tour the school. We were hugely impressed with everything that we saw – congratulations to all of you; the hard work and passion that has been poured into the school was palpable.  
Thank you very much for your time.

In September 2019 we will offer 30 reception places whilst still in temporary accommodation.

This will be our third intake.

We will offer 60 reception places from September 2020 once in our new world-class school building.

The school will then grow year on year until we reach our full complement of 420 pupils by 2024.

In 2020 we have plans to open the doors to nursery pupils and offer two year old places.

Our dedicated team are committed to giving your child the very best start in life.
